

FVJC Sisterhood

Sisterhood is one of FVJC's most active groups and we are proud to support our temple, religious school and local community in various ways. Throughout the year, Sisterhood offers many social, educational and spiritual activities to engage the hearts, minds and souls of women at various stages of life. We are also actively involved in mitzvah projects that benefit many in the greater Hartford area. Our Sisterhood strives to be an inclusive group and we welcome all FVJC women as well as unaffiliated women, who would like to maintain a Jewish connection. I sincerely hope that you will join/rejoin Sisterhood today as a display of unity as we support each other and our congregation. Thank you for your interest and support!
